Custom Comfort ClimateCare is a premier HVAC company serving Barrie and the surrounding areas. Our HVAC services encompass installation, maintenance, and repair for air conditioners, furnaces, water heaters, heat pumps, boilers, and gas fireplaces. With our expert team of HVAC technicians, your home's heating and cooling needs are in capable hands.

For over three decades, we've been the go-to choice for professional HVAC services in Barrie and neighbouring communities. Our reputation is built on trust and reliability. We offer affordable solutions that eliminate the need for frequent service calls and concerns about expenses. Say goodbye to HVAC worries with Custom Comfort.
