Homesight Inc is a Veteran-owned leader in the property inspection industry— having served Milwaukee & all South Eastern Wisconsin counties since 1997. Our firm of certified & licensed Wisconsin Home Inspectors has decades of experience not only in home inspection, but also with providing stellar customer service. Items such as our rapid report delivery, 3-part satisfaction policy, and complimentary warranty package are all in place to protect and delight our customers. We've performed over 12,000 home inspections in Wisconsin and have hundreds of 5-star reviews! We let our work speak for itself; know that you'll truly be receiving The Best In Home Inspection Service™ Whatever you need, we'll be there; because Homesight is here to help.
