Elite Group Inspection Professionals is a home and commercial property inspection company based in Orange County, California. We've performed over 500,000 inspections, and have 65+ Certified Master Inspectors on staff ready to give you an exceptional inspection experience. Our home inspectors cover all aspects of the home, and are extremely thorough. All of our inspectors have exceeded the criteria in order to become Certified Master Inspectors, and we are also certified by interNACHI who holds the highest of standards for their inspectors. We perform home inspections, commercial inspections, mold testing, termite inspections, sewer scope inspections, lead and asbestos, and radon inspections to name a few. We have the staff and know-how.
