Simon's Plumbing is the go-to solution for all plumbing services in Phoenix, Arizona, and nearby regions. Our comprehensive range of options covers both indoor and outdoor plumbing needs. Our skilled professionals are equipped to handle a wide variety of tasks, including fixing slab leaks and installing tankless water heaters. We understand the urgency of plumbing problems, which is why we provide 24/7 emergency assistance to prevent any inconvenience from pipe bursts or clogged drains. Our dedication to excellence and prompt service has cemented our reputation as the top plumbing company in Phoenix, with a strong emphasis on customer happiness and long-lasting results.

With local expertise in Paradise Valley, Scottsdale, and beyond, Simon's Plumbing stands out. We specialize in drain cleaning, water leak detections, and rooter services, using cutting-edge technology for precise and efficient problem-solving. You can count on us to send a professional plumber to your home 24/7.

Call Simon's Plumbing for unbeatable plumbing solutions if you're looking for a reliable, 24/7 plumbing service company that prioritizes your peace of mind and the integrity of your home.
