Members of all social classes are always given outstanding, safe, exceptional cardiology care at **Smt. S.R. Mehta & Sir K. P. Cardiac Institute** at affordable rates. The institute was founded in May 1999 under the chairmanship of Mr. M. C. Shah, a well-known city industrialist, with the aim to offer cardiac services with emphasize quality, safety, and economics.

Our dedicated and committed team of super-specialists, the Honorable cardiologists, cardio-thoracic surgeons, and orthopedic surgeons have been providing expert care around the clock in collaboration with equally dedicated and professionally updated medical, paramedical, and nursing staff, both in diagnostics and therapeutic care.

We are a reputable, cutting-edge, highly specialized **cardiac hospital**. Our hospital, which is conveniently located in Sion, was among the first to treat just orthopaedic and cardiac illnesses. In addition to a considerable number of angiographies, arthroscopies, valvular operations, knee replacement surgeries, hip replacement surgeries, and angioplasties and by-pass surgeries, some uncommon treatments such as the implantation of an automatic cardioverter defibrillator (ACID)
