You are on your way to your ultimate body with the help of BodySquad’s FDA-Approved bodysculpting plans.

Through years of experience, we have found three revolutionary bodysculpting treatments that can safely and effectively, remove fat, build muscle, and smooth cellulite on your body.

At BodySquad, you can remove excess or bulging fat with CoolSculpting, build and tone muscles with CoolTone and eliminate and smooth cellulite with Resonic.

When you come in for a bodysculpting treatment at our locations in Boca Raton or Delray beach you will be paired with a bodysculpting specialist who will assist your CoolSculpting, CoolTone, or Resonic treatments. These treatments take zero effort from you. In 45 minutes or less, your bodysculpting treatment is complete!
