Company logo

Light TN of Nashville, TN is a low voltage architectural and landscape lighting design and installation company specializing in landscape lighting, architectural lighting, roofline systems, and custom lighting designs for your residential, business or municipality needs. We have been providing customers with incredible custom designs and impeccable customer service since inception in 2020.

Over the past 3 years, our team has created beautiful landscape lighting seen throughout Middle Tennessee, and it all started with the hard work and creative dedication of Light TN’s local owner and operator Daryl Bentfield. We pride ourselves on our persistent attention to detail, which starts with your FREE design consultation. We cater to your home’s unique architectural styling and your personal preferences with custom fixture selection, professional installation, stellar service, and hassle-free maintenance.

We offer the follow services; Commercial, Residential, and Municipal Low Voltage Up Lighting, Down Lighting, Moon Lighting Landscape Lighting, Architectural Lighting, Wall Washing, Path Way Lighting, Hardscape Lighting, Patio Lighting, Bridge Lighting, Building Lighting, Outdoor Lighting, Garden Lighting, Holiday Lighting, Roof Line Lighting, Smart Lighting, Full Color Lighting, App Controlled Lighting.
