Captain Steel India Limited, established in 2007, has rapidly grown into a leading manufacturer of top-grade TMT bars, with a production capacity of over 525,000 MT annually. Emphasizing quality and innovation, its products, enhanced by German Thermex Technology, set the benchmark in strength, durability, and flexibility. Operating two state-of-the-art manufacturing units in West Bengal and Bihar, Captain Steel caters to a wide range of construction needs, from residential to large infrastructure projects. Pioneering the industry, Captain Steel, committed to excellence, introduced advanced construction solutions with epoxy-coated TMT bar Captain RustGuard, Captain 600 EQR, Captain TMT Rings, Captain Nails, and Captain Wiro.
