Since 1896, Pall Mall Barbers have been at the forefront of men’s haircuts and male grooming and have set the agenda for style-conscious gentleman for over 122 years in London. To this day, we are driven by our dedication to giving the highest quality experience for our clientele, over 70,000 haircuts we delivered last year. Our relentless dedication to deepening our knowledge of men hairstyling techniques and traditions across the globe has given birth to a world-class suite of men grooming products and barber services that combine cutting edge London styling with the very best global male grooming techniques.This focused approach has led to us becoming the largest and most awarded independent barber business, with over 52 haircutting seats and 23 award-winning products.
