Welcome to Appoline Dental Care, your premier multi-disciplinary dental practice in Grantham. Our state-of-the-art facility offers a comfortable environment for all your general, restorative, and cosmetic dental needs. We are proud to offer dental implants, renowned for their superior performance in replacing missing teeth. If you're seeking teeth straightening options, we are an authorized Invisalign® provider, utilizing cutting-edge clear aligner technology.

At Appoline, we provide specialized dental treatments with our expert endodontist, ensuring exceptional care for infected teeth. Our dedicated team is committed to empowering you to maintain dental health and confidence in your smile. We go the extra mile by offering comprehensive aftercare and addressing any post-procedure concerns.

We believe in providing non-judgmental care in a relaxed and inviting clinical setting. Our commitment extends to emergency situations, guaranteeing swift, high-quality care within 24 hours.
