Denmark Street Dental Practice is one of the North East’s leading **dentist in Gateshead**, offering a wide range of dentistry and cosmetic treatments all under one roof. Visit our clinic today to discover our dental specialties, including **implants Newcastle** and **dental bridges Newcastle**. We are committed to providing the highest possible dental care for our patients.

Treatments at **Denmark Street Dental Practice** include dental implants, dentures, dental bridges, veneers, crowns, periodontal treatment, endodontics, and prosthodontic treatment in Newcastle and Gateshead. If you are searching for an implant dentist Newcastle, look no further.

All of our clinicians have years of experience in their chosen fields and this, along with excellent communication skills and a highly skilled reception and nursing team, means you are in safe hands. We firmly believe in building strong relationships with our patients based on trust and communication.

We appreciate that you are trusting us with your smile, and we take that responsibility seriously. We want to make sure you are fully informed from the very start of your smile journey and know exactly what treatment options are available to you. Our patient coordinators will be with you throughout your smile journey to answer any questions or concerns you have.

We aim to make you feel relaxed and comfortable from the moment you walk through the door, during treatment, and right up until you finish your treatment.

We pride ourselves on our modern and sophisticated practices and on being up to date with progress in dentistry techniques and products, offering a wide range of dentistry and cosmetic treatments. If you're looking for a dentist in Gateshead, we're here to help.
