Movegreen has been the premier eco-friendly moving company in Santa Barbara, CA, and surrounding areas since 2007. We offer comprehensive moving solutions, including local and long-distance moves, packing and storage services, office and piano relocations, and more. As a proud partner of Wheaton Van Lines, we ensure reliable long-distance and interstate moving. What sets us apart is our unwavering commitment to environmental consciousness. Our fleet of hybrid service vehicles, paperless quotes and contracts, and the planting of 10 trees for every move exemplify our eco-friendly approach. Fully licensed and insured, we prioritize customer satisfaction, as evidenced by our multitude of 5-star reviews. Let's move together towards a greener future!
