- Outdoor Spaces: Gardens and walking paths to connect with nature and unwind.

Medical Aid Coverage

Navigating the financial aspects of rehab can be challenging, which is why we work with various medical aid schemes in South Africa. Our team will assist you in understanding your benefits and managing insurance claims to ensure you receive the maximum support available for your treatment.

Commitment to Confidentiality and Privacy

We prioritize your confidentiality and privacy. Our strict privacy policies ensure that your personal information and treatment details remain secure and confidential, providing you with a safe and trustworthy environment for recovery.
