Company logo

Advanced Pools has been one of the leading **pool suppliers in Adelaide** since its establishment in the late 60s, winning over 40 top State and National awards for pool construction. We do pool and spa maintenance, repairs, and after-sale service. We also stock a wide range of chemicals, equipment & accessories. We are one of the best pool cleaners and pool maintenance services providers in Adelaide.

Services the company offers:

- **Spa Pump Repairs Adelaide**
- **Pool Repair Adelaide**
- **Pool Pumps Adelaide**
- **Pool Cleaners Adelaide**
- **Pool Maintenance Adelaide**

Our professional team of highly qualified pool and spa technicians offers a wide range of services from cleaning and maintenance to installation, and repairs of pool spas and pool supplies equipment. We are also a professional **Dolphin robotic pool cleaner in Adelaide** and on-site advisers for how to maintain your pool or spa, keeping your water chemically balanced for healthy, safe, sparkling, and algae-free water.
