Dr Lad & Dr Mahal founded Javivo Clinic, a non-surgical medical aesthetic clinic, in 2019. Javivo MCR specialises in injectables, laser, and a range of skin and body treatments. Javivo MCR is ran by Dr Jaymi, aesthetic doctor, Harley Academy trainer and medical director of the clinic. Their doctors envisioned creating a safe, supportive space for their patients to seek out aesthetic and medical treatments. Their values include offering affordable, ethical and evidence-based treatments at the clinic.

Their non-surgical cosmetic treatments for the face and body includes: - Botox - Dermal filler - Laser hair removal - Laser for pigmentation and vascular treatments - Microneedling - Skin peels - Medical skincare - HIFU - Skin booster injectables.
