Capital Podiatry is committed to helping Canberrans of all ages by treating and managing Heel Pain, Plantar Fasciitis, Running Pain, Warts, Morton’s Neuroma, and Fungal nails. Start your journey by selecting from our “Problems we treat” menu and then simply make a booking online, over the phone or in-person.

Having a local podiatrist that you can trust is beyond important. Unexpected sports injuries, foot pain, ankle pain, loss of mobility, toenail infections, gait issues, warts, lower limb pain… the list of problems you and your family may face down the track could go on and on. That’s why knowing you have an experienced team of healthcare professionals nearby is bound to alleviate your stress in an emergency.

Taking care of your feet, ankles, and legs is vital to leading an active and healthy lifestyle. Our Canberra podiatry clinic has been offering unbeatable podiatry care to our local areas for over fifteen years. If you’re looking for a Canberra or Tuggeranong podiatrist, we’ve got the perfect location for podiatry in ACT paired with our experienced team to take care of you and your family.
