Our Comprehensive Services for Holistic Healing

At Therapy in Benoni, we offer a wide range of therapeutic services tailored to meet the unique needs of our clients. As a leading Benoni psychologist, we are dedicated to providing compassionate, evidence-based treatments for individuals, families, and children.

Our goal is to support your mental health journey with personalized care and expertise, ensuring you feel understood and empowered every step of the way.

Individualized Care from an Experienced Benoni Psychologist

Pakeeza Carrim, brings over two decades of experience in the mental health field. Registered with the HPCSA since 2011, she combines her extensive knowledge with a deep empathetic understanding to guide clients through their healing process.

Pakeeza’s expertise in cognitive behavior therapy (CBT) and dialectical behavior therapy (DBT) ensures that each client receives tailored, effective treatment plans designed to foster long-term well-being.

Specialized Therapy for Children and Teens in Benoni

At Therapy in Benoni, we understand that children and teens face unique challenges that require specialized care. Our services include child therapy, behavioral therapy for children, and mindfulness therapy for children.

We also provide therapy for child anxiety, adolescent depression therapy, and emotional regulation therapy for kids. With a focus on creating a safe and supportive environment, we help young clients develop the skills they need to navigate life’s difficulties and thrive emotionally.

Comprehensive Family and Couples Therapy

Strong, healthy relationships are vital to overall well-being, which is why we offer tailored family counseling and couples therapy. Our approach aims to improve communication, resolve conflicts, and strengthen bonds within families and between partners.

By addressing the unique dynamics of each relationship, we help clients build supportive, nurturing environments where everyone can flourish. Whether you’re facing specific challenges or looking to enhance your relationship, our services provide the tools and guidance needed for lasting positive change.

Expertise in Childhood Trauma and ADHD Therapy by Benoni Psychologist

Childhood trauma and ADHD can significantly impact a child’s development and overall well-being. At Therapy in Benoni, we offer specialized child trauma counseling and therapy for ADHD in children.

Our goal is to provide a safe, understanding space where children can process their experiences and develop strategies to manage their symptoms. By using evidence-based therapies and a compassionate approach, we help children build resilience and achieve their full potential.
