Restoration company: Since 2015, ERG has become a trusted first responder for emergency recovery and restoration services across Canada. We pride ourselves on going the extra mile to meet your needs, offering 24/7 on-demand service to ensure your at-risk assets receive specialized attention. Our comprehensive services include trauma and biohazard cleanup, remediation, and cleaning, as well as after-death cleaning and remediation. Additionally, we provide flood cleanup, water damage restoration, water extraction, and basement flood restoration. At ERG, we are dedicated to prioritizing your safety and satisfaction, delivering prompt and professional service to restore your peace of mind during challenging times.
