At U Pull & Save, we pride ourselves on being the premier destination for junk cars and used auto parts in Southwestern Florida. We understand that parting with your vehicle can be an emotional experience, and we're committed to making it as smooth as possible. Our expert team ensures you receive a fair price for your junk car and manages all necessary paperwork for a seamless transaction.

But our services extend beyond buying cars. As the largest self-service auto parts yard in SWFL, we offer an extensive selection of high-quality used auto parts at unbeatable prices. Our dedication to customer satisfaction drives us to continually expand our inventory and deliver outstanding service every step of the way.

Whether you’re ready to sell your junk car or searching for affordable auto parts, U Pull & Save is here to assist. Let us be your one-stop shop for all your junk car and auto part needs. We look forward to serving you!
