Foot Health Clinic is one of Brisbane's leading kids, family and active adventurers podiatry clinics. We are recognised Foot and Ankle Professionals. Our clinic has been established for over 20 years and during this time we have helped thousands of people. We offer a complete range of podiatry services for kids, families & active adventurers and we offer a range of footwear related products. We have a combined 70+ years of collective clinical podiatry experience. We are recognised experts and innovators in our fields & have a genuine interest in getting the best results for our patients. Each of our Podiatry services is designed to get to the root of your foot problem so we treat the underlying cause rather than just addressing symptoms.
