Glenn Wright Painting are committed to offering personalised service and providing you with the highest quality service. Our friendly experienced Ipswich painter team are passionate and methodical about painting, flooring and roof restoration. Whether you are a homeowner or business owner, we can help you bring your property to life.

Our painting services are highly regarded and trusted due to our dedication to collaboration and communication, work ethic and attention to detail. We have experience working on a range of projects as well as odd jobs such as stencil painting and painting feature walls. Our team also offers top-end epoxy flooring Ipswich and beyond. Durable, attractive, safe and low maintenance, our epoxy services are an excellent way to give your flooring a unique look. Additionally, we have a dependable roof restorer team to keep your roof looking great and pristine. Queensland’s environment will take a toll on rooftops, degrading them over time. Keep the integrity of roof whole with Glenn Wright Painting.
