In business for more than 25 years, we’ve built our great reputation on successfully connecting hundreds of clients with ideal locations. Locations Unlimited is the only location company based in the Palm Springs area serving both the low and high desert. From expansive desert vistas to modern Palm Springs architecture, we know where to find what you’re looking for. Locations Unlimited represents architectural and desert landscapes, Hublot Replica along with unique Joshua Tree National Park lookalike properties, and salt flats/dry lake. Friendly and professional customer service is our top priority. We understand your demanding deadlines, and we’ll “wow” you with our personal touch and attention to detail. Sylvia started Locations Unlimited in 1986. Thies came to work for Locations Unlimited in 2004. They make a unique brother/sister team and service their clients with utmost knowledge and professionalism.
