Creek Stone Resurfacing is one of the best concrete flooring companies serving San Diego and the surrounding areas. Our range of services includes concrete overlays, concrete polishing, floor self-leveling, concrete staining, surface moisture mitigation, and concrete restoration. Our resurfacing technique offers a durable, low-maintenance, and visually appealing alternative to replacing the entire concrete slab. Whether you're a residential or commercial client, we're here to serve you with a free consultation. Contact us today to learn more about our innovative solutions.
