West Virginia Managed IT Services Provider.

For over 20 years, Advantage Technology has been providing IT services and solutions. With West Virginia offices in Charleston and Bridgeport, Maryland offices in Williamsport and Frederick, Advantage Technology provides services for companies throughout the Mid-Atlantic region along with clients in Canada. We value people and relationships, which is why we have become a Microsoft Gold Partner, Microsoft Authorized Education Partner, Dell EMC Gold Partner, VMware Enterprise Partner, Mitel Enterprise Partner, Avaya Certified Partner, SMART Technologies Silver Partner, Extreme Networks Silver Partner, SonicWALL Certified Partner and Dell EMC’s number one re-seller and system integrator in West Virginia.
