Nowadays, digital marketing is a trendy career because most businesses are going online and hiring a digital marketer to handle their presence on a digital platform on their behalf. That's why it is a growing field with lots of opportunities and a better salary. If you still can’t decide where to enroll to start a career in digital marketing, look no further than NIHT. It has been leading the **best digital marketing training institute in Kolkata with 100% placement** assurance since its inception in 2005. We take pride in our ability to specialize in different domains of digital media, including social media marketing, search engine optimization, pay-per-click advertising, website development, and graphic designing. Our instructors have more than years of experience and design courses for our learners from beginner to advanced level. Our courses are tailored for students and working professionals alike. After the completion of courses, our learners get assignments on live projects to improve their skills. We ensure 100% placement support for them at top companies like Google, Zomato, ASUS, HCL, Samsung, etc. Book your free career counselling with our best counsellor and start your journey with NIHT.
