Welcome to D’Kunafa Cafe, where we take you on a delightful culinary adventure inspired by the vibrant flavors of the Middle East. Located in the heart of Putrajaya, our cafe is a warm and welcoming space where you can gather with friends and family to savor traditional treats reimagined with a contemporary flair.

Our crowning jewel is the signature kunafa, a cherished Middle Eastern dessert crafted with delicate layers of shredded phyllo dough, sweet and melty cheese, or luscious Qishta. Baked to a golden crisp and finished with a fragrant syrup drizzle, every bite offers a perfect symphony of textures and flavors, transporting you straight to the lively streets of Nablus, Palestine.
