Kyra Clinic specializes in providing effective **gynaecomastia surgery in Ludhiana**, helping men overcome the discomfort of enlarged male breasts. This condition can affect confidence, but our skilled surgeons offer a permanent solution. Using advanced techniques, we safely remove excess fat and tissue, restoring a masculine chest contour. The surgery is minimally invasive, ensuring a quick recovery and natural-looking results. If you're looking for a trusted clinic to address gynaecomastia, Kyra Clinic is your go-to choice in Ludhiana. Book a consultation today to learn how we can help you regain confidence.
