At MI Smile Journey, we are committed to more than just shaping beautiful smiles – we are also committed to supporting the community we serve through giving back to the businesses that are its backbone & the causes you care about. We are proud to have served as a sponsor for several local youth baseball leagues, the Marc Jaremba Scholarship Golf Tournament, & the Freeland Walleye 5K Race, donating to causes that include the United Way flood victim initiative, Operation Shoebox, & the Veteran’s Food Pantry, hosting giveaways like our back-to-school backpack giveaway & our brace safe Halloween candy giveaway, & providing free orthodontic treatment to those that need it most.
