F&S Orthodontics & Periodontics is a premier dental practice dedicated to enhancing smiles and oral health. With locations in Red Lion and York, Pennsylvania, they offer a comprehensive range of dental services tailored to individual needs. Their expertise lies in orthodontics, transforming smiles with braces and Invisalign, and periodontics, addressing gum health and bone support. From the moment you step into their modern, patient-centric offices, you'll be greeted by a warm and welcoming team committed to providing exceptional care. F&S Orthodontics & Periodontics leverages advanced technology and personalized treatment plans to deliver outstanding results, helping patients achieve the confident smile they deserve.
