Best acupuncture in Melbourne

Balance Med practitioners specialise in treating a wide range of health conditions to help you feel and look your best. We offer fertility acupuncture, IVF acupuncture, cosmetic acupuncture and many more natural therapy services. Whether you need help with an existing condition or want to find out the cause of your health concerns, we are here to help. We combine cutting-edge techniques with a blend of modern science and ancient wisdom to get results. HICAPS is available on-site and all our practitioners are fully registered & accredited providers.
