Reticulation & Landscaping Expert, a trusted and well-established landscaping service provider located at 37 Delton Way, Atwell, WA. Since 2002, founded by the visionary Gregory Dreano, Gregory has dedicated his expertise to transforming outdoor spaces with a focus on quality, sustainability, and customer satisfaction. His company specializes in a wide range of landscaping services, including irrigation systems, garden design, reticulation installation, maintenance, and other landscaping solutions that cater to both residential and commercial properties.

With over two decades of experience, Gregory has built a reputation for delivering innovative and cost-effective landscaping solutions tailored to meet the unique needs of each client. Reticulation & Landscaping Expert is known for using top-quality materials and state-of-the-art techniques to ensure that every project is completed to the highest standards. Whether it’s designing a lush garden, installing efficient irrigation systems, or creating functional outdoor spaces, Gregory’s team is committed to excellence in every aspect of landscaping.

Customer satisfaction is at the core of the company’s philosophy, with Gregory’s personalized approach ensuring that each client’s vision is brought to life. Through a combination of technical knowledge, creative design, and a passion for landscaping, Reticulation & Landscaping Expert has become a trusted name in the industry, serving the Atwell community and surrounding areas for over 20 years.
