C&J Metal Products is a trusted leader in sheet metal fabrication, serving general contractors, sheet metal contractors, and roofing contractors for over 75 years. Based in Paramount, California, our woman and minority-owned business offers a wide range of services, including custom sheet metal fabrication, metal panel systems, and parapet wall caps. Our fully equipped shop features advanced capabilities in welding, shearing, punching, pressing, and metal finishing, ensuring high-quality results for every project. We maintain a large inventory of copper, stainless steel, aluminum, and galvanized sheet metal in various gauges and sizes to meet diverse needs. C&J Metal Products is committed to exceeding customer expectations with exceptional craftsmanship, quick turnaround times, and a continuous dedication to customer satisfaction.
