As a trusted Australian commercial real estate investment manager, Pallas Capital Group is strategically positioned to provide borrowers with bespoke finance solutions and private investors with access to the growing Australian alternative asset class: Commercial Real Estate (CRE) debt.

Year on year, our investors rely on us for income-producing defensive investments that provide attractive, risk-adjusted returns. Given our proven track record, Pallas Capital is the manager of choice for our high-net worth individuals, family offices and institutional investors, seeking access to high quality Australian CRE debt investment opportunities.
