Find high-quality window treatments from a family-owned and operated business when you shop at Shutters Blinds & Awnings. We take a practical approach to ensuring you receive the products and service you desire. Our professional service and incredible products result in loyal customers who are always happy to share their experiences.

We can help design and install a variety of shutters blinds and awnings by visiting your home and conducting a consultation. This will provide you with a range of options to select from; you can rest easy knowing that they will be installed by an experienced professional. Our products include:

- Plantation Shutters – Plantation shutters offer the complete package of durability, style and function – always sure to please.
- Aluminium Shutters – Our Aspire Aluminium Shutters are made of high-strength aluminium that will look good for years to come.
- Hampton Style Window Shutters – These PVC shutters are fast becoming some of the most popular shutters due to their low maintenance and enhanced privacy.
- Timber Shutters Brisbane – There’s just something about our traditional wooden shutters that is hard to beat.
- Indoor Blinds – We offer beautiful blinds that come in a variety of colours and materials. We are sure to have blinds that will complement your current décor!
- Cassette Blinds online – These versatile blinds go with any window for a modern look and an unobtrusive design.
- Panel Glide Blinds – A popular choice for larger windows, especially full-length sliding glass doors.
- Privacy Blinds – These provide maximum privacy and are perfect for those living in more densely populated areas.

- Roller Blinds – It is the simplicity of these blinds that make them so popular. They are custom made, so you’re sure to find the right fit.
- Vertical Blinds – Offering style, light control and privacy with vertical hanging slates that can be adjusted to let just the right amount of light in.
- Outdoor Blinds – From sunscreens to café blinds, our selection of blinds for the outdoors are second to none.
- External Awnings – Need some shade for your deck or looking for a way to add an element of privacy to your home? Shutters, Blinds & Awnings have you covered. We stock an extensive assortment of attractive and durable awnings that can help elevate the elegance of your home.
- Motorised Blinds – We provide a complete range of internal and external motorised blinds and awnings that are easy and convenient to use.
