GreenTree LLC is a growing initiative that is bringing millennials closer to nature. GreenTree has an extensive range of herbal products, power-packed with grandma’s secrets, to help you tackle various beauty concerns in a natural and organic manner. Our mission is to make beauty truly wholesome. GreenTree’s herbal range is result driven that are safe and potent. GreenTree offers premium skincare in UAE, including natural solutions like Kasturi turmeric for glowing, healthy skin.

We at GreenTree curate the choicest of herbs to provide you with easy to use herbal treatments for daily usage. We do understand that your time is at a premium but at the same time you do not want to compromise with your beauty regime. Your health and beauty is our concern. Our philosophy towards beauty revolves around using nutrient-rich herbs to nourish the skin, scalp and hair. The products are free from silicones, sulphates , petrochemicals, parabens and other harmful synthetic ingredients.
