With a history that spans over thirty years Bay Fencing stands tall as an example of excellence that demonstrates a unshakeable commitment to excellence throughout its long story. Famous for our remarkable work in the bustling cities of Brisbane & Gladstone, we have great pride in our long-standing reputation. Being a fully licensed and insured business, Bay Fencing offers you the assurance in dealing with a trustworthy and dependable company. Bay Fencing specializes in butted timber fence, offering sturdy and aesthetically pleasing fencing solutions for residential and commercial properties.

Our primary goal is placing you, our customer at the top of our list. We are driven by your satisfaction as our primary power. Specialized in landscape design solutions for structural purposes Our dedicated team is adept at bringing ideas to reality. We are awestruck by the challenges we face and are committed to creating creative solutions that perfectly align the budget you have set. Pick Bay Fencing for an unforgettable trip where quality, experience and customer satisfaction are brought together in perfect harmony.

There are currently three crews of workers to ensure everything is done within the stipulated time. In addition, we also develop new designs and innovative methods to ensure that our work stands apart from the standard fencing offered by competitors. We also offer no-cost estimates and guidance regarding how to ensure that your next project looks exactly how you would like it to.
