Someone who takes your requirements and translate your ideas into a design. A trusted advisor throughout the entire process, so you are able to enjoy the process. A qualified professional will help you navigate the steps of remodel and ensure that your investment can transform your home into the perfect home you've ever imagined.

Margherita Thumiger as well as Louise Glynn, founders of Studio 29 Architects and Interior Designers. We bring together our experience in interior design, architecture, design, and project management to help clients navigate every stage of their remodeling projects, be it for offices or homes. Studio 29 Architects and Interior Designers is a leading interior design company in UK, offering bespoke architectural and interior design solutions for homes and businesses.

Since 2013, we've kept a small studio and we manage each project in person, making sure that every client receives our complete attention.

You will collaborate closely with a skilled professional who will assist you from start to finish.

A renovation is a concert of a multitude of talents. Our network includes the most talented professionals in the business who we've worked with over the years.

Our role is to guide the way, assist, and manage the team, so you aren't required to manage them.
