The main focus of Sharjah-based OSS FZC - ENERGY LOGISTICS is offering open yard storage facilities for rent in the Hamriyah Freezone. The company specializes in storage and logistics services. Since our founding in 2006, we have grown to provide a wide range of services to a variety of logistics-related industries, beginning with an open storage facility. OSS FZC specializes in energy logistics and international shipping air services.

Our mission is to help our clients in the energy logistics industry operate more efficiently by providing them with simple, affordable solutions that uphold a strict commitment to safety. Our vision is to establish ourselves as a leading 'Logistics Superstore' in the oil and gas sector of the area, offering a one-stop solution for all their logistics requirements while maintaining a constant focus on safety.

Our goal at OSS FZC - ENERGY LOGISTICS is to redefine what storage as a service means. Our goal is to satisfy all of our esteemed customers' logistical needs by providing a convenient one-stop shop that offers a complete logistics solution.
