The team at The Blue Window believe in delivering custom and personalised spaces to our clients in the exact way they've always dreamed of. Our spaces boast a dazzling track record of enhancing the efficiency and quality of life with the most stunning design. Our expert craftsmen have been specifically trained to create spaces that are in line with our clients' goals, personalities and ways they live. Our aim is to create stunning design spaces, complemented by elegant customized work, wrapped in stunning ideas. Our work accomplished is the greatest and sole testimony to us. The smiles we've made is what we excel at in this enthralling adventure. The projects we undertake are created to appeal to the thoughts of our customers, forever and for ever. The Blue Window offers exceptional interior design services in Mumbai.

Established by the dynamic duo of along with Vishnu Nair, our journey was born out of a shared vision and a unwavering love for. After two years of successful freelancing in 2017 to 2017, we were inspired to build a studio in which creative minds could work as an extended family, providing distinctive and unique solutions to our customers. From childhood friends to business partners and even life-long partners, our story is a testimony to our commitment to synergy, collaboration, and dedication to excellence. We welcome you to join us on this thrilling journey as we continue develop and bring our customers dream to life using the utmost creativity and heart.

We believe in creating custom spaces that you've always dreamed of and designed with a beautiful aesthetic to increase the standard of living of the world.
