Modern Touches is the top supplier of fire-retardant paints and chemicals in Dubai. In order to provide the UAE and Lebanon with superior cleaning, protection, and fireproofing services, Modern Touches Fire Resistant & Retardant Materials Trading (MTFRT) and Modern Touches Cleaning Est. were founded more than ten years ago.

We have years of experience and are experts in offering protective solutions for the priceless belongings of our clients.

We have assisted in protecting the assets of companies, clubs, hotels, conference centres, villas, clinics, hospitals, and huge structures.

Our professional services are dependable and prompt, guaranteeing that your materials' quality won't be compromised.Modern Touches offers high-quality stain repellent for furniture.

We cooperate with FLAME SAFE to produce fire retardant coatings, sprays, and penetrants that are easy to apply, colorless, non-toxic, environmentally friendly, and water-based. We also use 3M Scotchgard to protect your treasures from stains and dirt.

With decades of experience, we are your go-to source for expert, secure, and damage-free housekeeping services—always safeguarding the things you cherish!
