At Academy Funerals, we are independent funeral directors who have been proudly offering families absolute choice and affordable funeral arrangement services across Queensland since 1998. Whether it be an unattended cremation or a traditional chapel or church service, our core belief is that all families should be empowered by their ability to choose what is important to them. Decades of experience in the industry has taught us that all families approach funeral choices differently, which is why we ensure all our services are offered at a fair price, are free from unnecessary complications, and are focussed on dignity.

Our Services:

- Cremation Services
- Burial Services
