Himalayas Group has been providing top-quality, cost-effective **gutter and roof cleaning services in Melbourne** and **Hobart**. With years of experience, we have been providing **gutter cleaning in Melbourne eastern suburbs** by employing proficient gutter cleaners and using the latest technology to provide the fastest, safest and most reliable **roof gutter cleaning** results.

We also offer a range of residential or commercial **roof pressure cleaning** services at affordable rates. Modern roof cleaning and washing methods used by our roof cleaners take care of your commercial **roof tile cleaning** requirements.

Apart from roof cleaning services, Himalayas Group also offers quality and efficient cleaning services like commercial window cleaning in Melbourne. We have an experienced team who can take care of any jobs related to cleaning, with the help of special equipment for domestic, corporate and high-rise office buildings. Our window cleaners will treat your home with care and respect and we can happily clean more than just windows.

Along with **high-pressure cleaning**, we also provide services of **roof restorations**, **roof tile restorations**, **roof tile repairs** and **roof repointing**. Furthermore, if you desire to give your roof a brand-new look and are in search of **roof painters**, then we can successfully fulfill your wish.

At the Himalayas Group, no one is dealing with an anonymous corporate entity, but with the actual owner and staff who are personally included in providing your property or business with outstanding results.

If you need any type of cleaning services or **roof repairs in Melbourne**, then call us today, Himalayas Group has a specialist team, which provides professional roof and gutter cleaning services Melbourne-wide at affordable rates.
