Scrap My Car – Auckland’s Leading Scrap Car Buyers

Do you have an old, damaged, or unwanted vehicle taking up space? Scrap My Car is here to help you dispose of it in the easiest and most profitable way possible. We are Auckland’s most trusted scrap car buyers, offering competitive cash for scrap cars with free scrap car removal services. Whether your vehicle is broken down, written off, or just no longer needed, we make the process of selling your scrap car fast, convenient, and hassle-free.

Get Top Cash for Scrap Cars in Auckland

At Scrap My Car, we believe in giving you the best value for your vehicle, no matter its condition. We pay top cash for scrap cars, ensuring that you get the maximum possible payout for your unwanted car, truck, van, or SUV. Our team evaluates each vehicle based on factors such as make, model, year, and condition, providing fair and transparent pricing.

What Types of Vehicles Do We Accept?

We buy vehicles in all conditions, including:

Unregistered cars

Wrecked or rusted vehicles

Non-running and accident-damaged cars

Old and unwanted cars

Broken-down cars with mechanical or electrical issues

Vehicles with failed WOF

No matter what shape your car is in, we’ll take it off your hands and pay you cash on the spot.

Hassle-Free Scrap Car Removal – We Come to You!

One of the biggest challenges when dealing with an old or wrecked vehicle is arranging transportation. That’s why Scrap My Car offers free scrap car removal across Auckland. We come to you, whether you’re in East Tāmaki, Manukau, North Shore, West Auckland, or South Auckland, and tow away your vehicle at no cost. Our goal is to make the process as simple as possible for you.

How Our Scrap Car Removal Works:

Request a Free Quote – Call us or submit an inquiry on our website.

Schedule a Pickup – Choose a convenient time, and our team will come to your location.

Instant Payment – We’ll inspect the vehicle, offer a fair price, and hand over the cash.

Free Towing – We tow away your vehicle immediately, leaving you with no worries.

Car Wreckers Auckland – Eco-Friendly Vehicle Recycling

As professional car wreckers, we take pride in our environmentally responsible approach to car disposal. We ensure that every vehicle is recycled properly, salvaging usable parts and disposing of the rest in compliance with New Zealand’s environmental regulations. By selling your scrap car to us, you are contributing to a sustainable automotive recycling process.

Parts We Recycle:

Engines and transmissions

Batteries and tyres

Scrap metal and body panels

Usable auto parts for resale

Our commitment to eco-friendly vehicle disposal ensures that every part of your car is put to good use, reducing waste and minimising environmental impact.
