MAP Lawyers conveyancing firm is a family run business headed up by a husband and wife, Meg and Aaron. We specialise in Queensland conveyancing for Brisbane, Gold Coast and Sunshine Coast residential properties. We also provide extensive and dependable New South Wales conveyancing and Victorian conveyancing services.

The team at MAP Lawyers truly love helping their clients' journey whether it is assisting our clients as their property buying solicitor when buying their first home, investment, or as a solicitor for selling house and property. Our team will guide you through every step of the process with our client service focus, ensuring the house sale conveyancing process is as smooth and stress-free as possible.

For a caring attitude, supportive relationship, open communication, and effective teamwork between our business and yours, visit us on the web to see how we can add value and help with all of your property conveyancing needs.
