Salvage Marine is a leading provider of **marine salvage, wreck removal, and oil spill recovery** solutions, delivering rapid and effective responses to maritime emergencies worldwide. With a highly skilled team of salvage experts, marine engineers, and environmental specialists, we ensure swift action in the face of ship groundings, vessel sinkings, and hazardous spills.

Our **oil spill recovery** operations prioritize environmental protection, utilizing advanced containment and cleanup technologies to mitigate ecological damage. Whether responding to distressed vessels, offshore incidents, or environmental threats, **Salvage Marine** remains committed to safety, efficiency, and sustainability in every operation.
