Welcome to Uptown Dental Associates, your go-to dentist in Albuquerque for top-quality dental care. Since 2008, our skilled team, led by Dr. Greaves, Dr. Martinez, and Dr. Barzegari, has been dedicated to delivering exceptional dental services. As a leading cosmetic dentist in Albuquerque, we specialize in teeth whitening, dental implants, Invisalign treatment, and restorative dentistry, helping patients achieve their ideal smile.

Whether you need a smile makeover, a trusted Invisalign dentist, or an emergency dentist in Albuquerque, we provide advanced solutions tailored to your needs. Our practice offers cutting-edge treatments in sedation dentistry, ensuring a stress-free experience for patients with dental anxiety. We also focus on restorative dentistry, helping restore function and aesthetics with procedures like dental implants and crowns.

At Uptown Dental Associates, we utilize state-of-the-art technology to provide efficient and comfortable treatments, from Invisalign treatment for straighter teeth to professional teeth whitening for a brighter smile. Our patient-first approach ensures personalized care and outstanding results.

Experience modern dentistry with a compassionate touch. Trust Uptown Dental Associates in Albuquerque to keep your smile healthy and beautiful for cosmetic, restorative, or emergency dental care!
