ShadePro is the premier permanent shade structure provider in Texas since 2004, specializing in commercial and residential shade solutions.

ShadePro, LLC designs and sells only the highest quality permanent shade structures. All shade structures are engineered to meet or exceed building codes with a minimum 90 mph wind rating. With a combined 50+ years of experience in the shade industry, we are dedicated to providing our customers with a reliable, turnkey solution to their shade and canopy needs. ShadePro was founded in early 2004 in Texas with the vision of partnering alongside a variety of customers to help combat the harmful rays and heat of Texas. ShadePro services in the state of Texas, including however not limited to Amarillo, Lubbock, Midland/Odessa, Abilene, El Paso, San Angelo, Dallas, Ft. Worth, Waco, Austin, Austin, San Antonio, and Houston. ShadePro provides shade for and ships to the lower 48 states.
