Glass Mates is a leading Brisbane Glazier with a decade plus of experience in providing affordable, reliable and durable custom glass services. We use top-end materials to furnish your home or business with glass windows and doors that look stunning. Our team can replace your chipped or broken glass panes or install entirely new ones.

We offer a range of glass services that include:

- Glass Repair – When you need your glass window or doors repaired or are looking for something new our experts can handle any size and shape.
- Residential Glazier – From small to large, we provide a variety of tough and beautiful glass products for your home.
- Commercial Glazier – Keep your business looking amazing with well maintained doors and windows.
- Screen Door Installation – From the front door to the shower, we install a variety of screens for your convenience.

Get in touch with the friendly team of glass specialists at Glass Mates today for high quality glass related service and products. Reach out to us online to make a booking or send us an email at jack@glassmates.info
