You spend so much of your life sleeping, so you want to make sure that time is spent using the best sleep accessories from Wenatex.

What is Wenatex? Wenatex is a European bed maker and creator of the Wenatex sleep system, which was developed after years of sleep research and development. If you are looking for information about how to sleep better, Wenatex can provide you with a sleep consultation or you can attend one of our 55 Plus Sleep Seminars!

Our bed and sleep products include:

SilverMed Plus Pillow – A comfortable pillow can help you achieve a refreshing nights sleep. The SilverMed fibre makes our pillows anti-bacterial and great for people with allergies.

SilverMed Plus Quilt – Sleep in style and luxury! Hypoallergenic, comes in Summer or Winter varieties and is available in a variety of sizes.

Bella Donna Jersey Fitted Sheets – Silky and pleasant to the touch, engineered to minimise creasing and easy to care for! Our sheets will provide you with a gratifying sleep experience.

Satinesse Protector – Enhance the feeling of your mattress to achieve a comfy and pleasant sleep experience. Our mattress protector is designed to fit snug as a sheet, is moisture resistant and available in a range of sizes.

Waterproof Mattress Protector – Extremely popular with our clients due to its moisture resistance, ease of maintenance and variety of sizes.

Wenatex Sleepy Bear – A cute and cuddly sleep aid to help children get a good night’s rest.

And much more…

You can browse our entire range of beds and sleep related accessories by visiting our online Wenatex shop now.

Be sure to get in touch by calling us. You can also contact us and learn more about our two showroom locations by using our contact form.
