Equinox Roofing is a leading roofing contractor serving the entire Bay Area, known for quality craftsmanship and dependable service. We specialize in residential roofing, handling everything from minor repairs to full replacements. Our team also provides commercial roofing solutions, ensuring businesses have durable, long-lasting protection. Beyond roofs, we offer seamless gutter installation to prevent water damage. With industry-leading warranties, drone inspections, and 24/7 emergency service, we put customers first. Whether you need a new roof, repairs, or gutters, Equinox Roofing delivers durable solutions built to last.

We are your premier roofing contractor in San Francisco, specializing in San Francisco residential roofing, commercial roofing in San Francisco, and gutter installation in San Francisco. Our expert team delivers precision and care on every project. Trust Equinox Roofing for top-quality roofing services in the Bay Area.
